President Coming—Mrs. Anna Henry, of Prescott, president of the Rebekahs of Arizona, will arrive in the city Friday to inspect Bisbee Lodge. While here she will be the guest of Mrs. J. G. Pritchard.

Officers at Naco—A number of officers are at Naco, including several rangers, Deputy Sheriff McDonald and Officer Coffey, of Douglas. What the gathering is for is not known, though it is presumed to be with reference to criminal business.

Dispossession and Damages—A civil action has been brought by George Jewett to remove A. R. McCamley from a mining claim Jewett declares himself the legal owner of. It is located near Lowell. Since squatting on the claim McCamley, according to Jewett, has torn down sheds and other improvements erected by Jewett. For this action Jewett asks damages in the amount of \$150.

Bad Fire Averted—What might easily have terminated in a disastrous fire was stopped in an early stage at the Antlers saloon yesterday morning by a member of the Merchants' Fire Patrol. The fire started from the bursting of a gasoline pipe running from a tank next to the ceiling of the bar room. A big blaze shot from the pipe and attached to the wall and ceiling. The fireman caught up a table cover, and running up a ladder hastily placed to the wall succeeded in smothering the flames. The man sustained slight burns about the face and head in executing the work.

Union Services—Union Thanksgiving services will be held by the churches of the city this morning at the Presbyterian church.

Back to Cananea—Thomas Ewing messenger for the Cananea Bank, left for his post of duty last evening after a few days in this city on business.

Fine for Fighting—Frank Hall and John Grosh engaged in a fight in front of the Orient Tuesday night. They were fined \$5 each in Judge McDonald's court yesterday.

Made Nominations—Eagles, famed for doing things right in this camp, had one of the happiest sessions in their history at the regular meeting this week. Nominations for the general offices that will be filled in the lodge in December was the principal business before the meeting. Following the making of nominations a royal banquet was served. It was a feast of plenty of everything for everybody.

Copper Queen Arrivals—C. B. Scott and wife, W. H. Kirkland, P. C. McMullen, J. S. Ely, J. B. Speed, J. Demarest, C. M. McKean and wife, Miss Agnes Speed, Geo. Hill, S. W. French, W. R. Thurston, Douglas; A. S. Burrow, Bruce Mines, Colorado; S. Newman, Tucson; M. A. Lang, E. I. Coffey, Ed. Shumere, Prescott; Ed. Needhold, Wasefield, Mich.; F. R. O'Brien, Benson; G. Lewis, New York; A. H. Merritt, San Francisco.

Regarding Deleahanty Estate—Attorney Shelley, of Tucson, and Attorney E. J. Coffey, of San Francisco, were registered at the Copper Queen yesterday. Their visit was in reference to matters connected with the estate of the late Pat Deleahanty, of Benson. Mr. Coffey represents the foreign heirs who have entered claim to a portion of the property. The attorneys left last evening for Douglas to look further into the affairs of Mr. Deleahanty.

Assaulted Miner—Roy Van Slyke was fined \$5 yesterday for assault committed upon a well known prospector and miner named Mullen. The latter claimed that the difficulty arose through his calling attention of Van Slyke to a touch for half a dollar that Mullen alleges was made while he was taking a nap. After knocking the old man down, Van Slyke administered a savage kick that severely cut Mullen's face. Mullen is known as a good and reliable citizen.

Back to Tombstone—Attorney Gibson and General Agent Brearley, of the Huachuca Water Company, returned to Tombstone on last evening's train. The gentlemen said that during their stay in the city they had sounded public opinion in a general way, and felt convinced that the entrance of their company to the city with water would be cordially greeted. The work of tearing up the Tombstone line of the company and putting down the Bisbee line is to commence at once.

Looking for Impostor—Marshall Snodgrass yesterday received advices from New York to be on the watch for R. G. Murphy, who is believed to be on his way to Bisbee from Denver, the last place he was heard from. Murphy has been drawing and cashing drafts on New York firms all the way west from that city without authority. His scheme has so far netted him several thousands of dollars. He is described as about 5 feet 10 inches in height, 22 years old, 135 pounds in weight, and fair, with blue eyes.

Regarding Franchises—In connection with statement of inability on the part of the city council to grant franchises the reason is of interest. The disabling clause in the statutes was adopted at the last session of the legislature. It provides that no franchise may be granted by a city council in the territory without first submitting the question to the voters of the incorporation at a "regular" city election. These come but once in two years. Various interests in the Territory, it is said, will make endeavor at the coming session of the legislature to secure change in the law substituting "regular or special election" for the present word "regular."

FIRST GENUINE SPANISH BULL FIGHT ON THE ARIZONA-SONORA BORDER

Four wild Chihuahua bulls, brought in bond from General Terrazas, will be fought to the death.

Caro Chico, rival of Mazzantini, the world's greatest bull fighter, will be the matador and captain of the great troupe. These great fighters presented the corridas in the Plaza de Toros at Juarez, Mexico, opposite El Paso, during the week of the National Irrigation Congress and only for this reason could these celebrated toreros be brought to Agua Prieta, since expenses would have been too numerous to have brought Caro Chico from Spain and his troupe from the City of Mexico where they have been giving fights. Excursion rates on all railroads. Remember the date next Sunday.
